At Hymen's Altar.

Down on South Main Street, where the beautiful water oaks fling fern-like sprays on the summer air, a very pretty parlor wedding took place this morning at 9:30 o'clock at the home of our young townsmen, Messrs. Frank and Lucius Murphy. The contracting parties were Miss Julia Irene Murphy, of this city, and Mr. McDuffie M. Cater, of Abbeville; two young people well known in Anderson and its vicinity.

The bride, a beautiful young lady, was lovely in a gown of coral tulle, trimmed with white tulle, and the many guests of friends, seated in the reception hall, required for such a high, festive occasion. The bride entered the parlor, leading on the arm of her sister, Miss Louise Martin, with the groom, Mr. McDuffie, accompanied by his best man, Mr. C. H. Allen. The ceremony was most impressively performed by Rev. O. L. Martin, assisted by Rev. J. N. H. Sumner.

The parlor, which was handsomely decorated with ferns, palms and orange blossoms, was crowded with the friends of the bride and groom, all eager to offer their congratulations on the happy event. The happy couple were the recipients of many useful and beautiful presents.

Mr. and Mrs. Cater left on the morning train for Abbeville.

All our best wishes attend these young people, and let us hope as they pass down the long highway of life that they may find their way to the path that leads to the way of life, and prosperity and happiness attend them.

The Greenville Commencements.

The commencements of Furman University and the Greenville Female College were exceedingly pleasant occasions from the hundreds of persons on Sunday to the final exercises Thursday night when five young ladies graduated from the Greenville Female College. This institution has passed through its most successful session under President Riley, 26 students having been enrolled this year. The annual concert under Prof. G. Ferrata was a splendid exhibition of the highest order of music, and the anniversary of the Greenville Literary Society was a most interesting entertainment.

Furman University graduated fourteen young men and one young lady, Miss McGee, of Greenville. The closing exercises Wednesday night were presided over by President Montague, whose energy, but, wisdom and ability are doing so much for Furman.

The Furman alumni have raised \$8,000 for the new alumni hall. They will receive \$2,000 of this money when Prof. Judson will give \$3,000 and the work of building will begin immediately. Rev. H. R. Mosely was re-elected President of the Association. Furman seems to have entered upon a new era of prosperity and success.

Death of Mr. Manly.

Died, after a brief illness, near Belton, S. C., June 7th, 1898. Mr. G. W. Manly. He was born in Laurens County, Feb. 11, 1818, but moved to Anderson County when nearly grown. After the death of his wife, about twelve years ago, he lived in the family of Mr. O. K. Brezale, where he found a real home—both giving and receiving expressions of confidence and affection without interruption and without abatement to the close of his life. In 1874 he was baptized on confession of Christ and became a member of the Baptist Church in Belton, and lived the life of a consistent, devoted Christian to the end.

Though one of the most modest and retiring of men, the excellence of his character through his long life secured the hearty esteem of all who knew him, as was testified by the very large attendance at his funeral. Stricken suddenly at the close of the day, June 1st, he at once passed into unconsciousness, from which there was no recovery. He needed to speak no last words; his message was his every day life.

Reunion of Students.

EDITOR INTELLIGENCER: It has been contemplated for several years by the old students of Carwell Institute to have a reunion this year. It being the 20th year since that school closed.

I have been urged to take the matter in hand by several of the old students, being one of the oldest among them. So will ask you to please give notice that we will meet at Anderson, June 27th, (Monday), at 11 o'clock a. m., to formulate a program and appoint some committees that will be needed. We want many of the old students to meet with us as we can get. So let each one feel as if it his individual business to be there.

Very truly yours,

T. T. WAREFIELD.

Septus, S. C., June 15th, 1898.

Belton Items.

This section was visited by several splendid rains last week, winding up with a very heavy one on Sunday afternoon. In some places the land was considerably washed, but otherwise there was no damage. The farmers seem to be in the best of spirits. They have an unusually favorable harvesting season and a fine opportunity for putting their crops in such a condition as to be easily cultivated from now until they are laid by.

Wheat through this section is reported as being unusually good. A fair crop of fall oats was made, but spring oats were almost a failure.

Mr. J. M. Reeves, formerly of Laurens County, S. C., but now of Belton, Ga., who is considered one of the finest penmen in the South, is now teaching penmanship to a large and interesting class at the high school building.

Arrangements preparatory to the entertaining of the Saluda Association are being made by the Baptist Church at this place. The meeting begins on Tuesday the 2nd day of August, and continues through the 4th. We are looking forward to the entertaining of our brethren and friends with pleasant anticipations.

All of our boys and girls who have been away to college have returned to their respective homes to spend the summer vacation. We note the following from the different colleges: Messrs. C. W. Rice, M. W. Grubbs, J. C. Green, and J. C. Holliday, Furman University; W. C. Latimer, Wofford College; O. J. Copeland, Nyack, N. Y.; Miss Ora and Bessie Smith, Winthrop Normal College, and Miss Mamie Latimer, Converse College. We are glad to welcome all these young people home again. They add very much to the life and pleasure of our town.

Hon. A. C. Latimer and family have returned to their home from Washington. Mr. Latimer was quite ill before he left Washington, but we are glad to report that he has improved rapidly since he came home, and is now able to be out.

Lieut. Ed. R. Cox, of the Darlington Guards, spent a day or so with his parents last week. Mr. Cox is ordinarily a good looking man, but he presents a particularly fine appearance in his splendid U. S. uniform.

Mr. and Dr. W. C. Bowen visited the latter's parents at Little River last Saturday and Sunday.

Messrs. Clyde Green, Reuben Gambrell and W. B. West, attended Commencement in Greenville last week.

Major G. W. Cox, Commander Camp Anderson, Confederate Veterans, wishes a meeting of the Camp at 4 o'clock p. m., Saturday the 2nd of July, in the waiting room of Southern R. R. depot. Delegates to the reunion in Atlanta will be elected and other business of importance will be attended to. The Commander wishes a full meeting.

Echoes from Prospect.

Well, Mr. Editor, I guess you have about forgotten "Old Uncle Yaddie," as he has been silent in the press for a long while, but not quite so in the cotton field.

After many weeks of hot, dry weather we were fortunate enough to get a shower of rain, which was heartily welcomed by all.

The crops are looking fine, considering the amount of rain since they have been planted.

The farmers are plowing their corn for the last time, and cotton is almost ready to bloom.

June peaches are getting ripe. Come out, Mr. Editor, and help us eat them. (N.Y.)

Last third Sunday was regular preaching day at Prospect, and as usual, there was a large crowd. Brother Hawkins preached a very interesting sermon, and the congregation was very attentive.

Mr. Oscar Sanders, who has been clerking for Wilhite & Whitte, is at home very ill with fever. We all hope Oscar will soon be able to return.

Mr. Lee Sanders has also been quite low with fever. We are all glad to learn he is better now.

Miss Clara Browne has returned home from Winthrop College.

Several youngsters went fishing on the river last Monday evening. They didn't catch any fish. I think they fished more on dry land than in the river. They report a nice time. That's all right. But we do solemnly ask them, if they can't catch any fish, will they please hold in their "gas" coming back and don't wake up everybody on the road.

Ask some of the Prospect boys whose carriage is the center of attraction.

Wheat threshing is now about over, and from reports everybody made a good crop.

Spring oats are almost a failure on account of the dry weather.

Mr. Reed McCrary, one of Pendleton's dashing sports, was down on this side a few Sundays ago. What's the attraction? Watch him, boys.

Mr. Arthur Erwin, one of Denver's warm sports, was brushing around on this side of the creek a few Sundays ago. Give him room, boys.

Well, as it is getting time "Old Uncle Yaddie" was killing grass, I will close, with best wishes to the INTELLIGENCER and its readers.

Corner Dots.

Well, Mr. Editor, as I haven't seen any of the "corner dots" since I last wrote myself and take my pen in my hand and will try to give you the news.

Messrs. J. L. and A. B. Sherard, two graduates of the South Carolina College, have returned home. Both of them came out with flying colors.

Messrs. G. Howe Ligon and W. Hampton Sherard took in commencement at Dun Welter last week.

There is a certain dashing sport near here who, if you say "Who?" where he can hear you, will immediately say, "What you want?"

Miss Georgia Cunningham, from Lowndesville, is visiting Mrs. V. C. Sherard and family, much to the delight of her many friends here, who are always glad to see her.

The following young people have returned from Erskine College, at Due West: Misses Annie Beatty and Florence West. Misses Anna and Miss Mary Clinkscates and brother, R. P. Clinkscates, Jr., and A. B. Wharton. There are others who have returned, but I can't remember them all.

Miss Julia Stewart, from Doraville, Ga., is visiting relatives in this community.

Mr. J. P. Wilson, of Anderson, was circulating among his friends here last Sunday with a big ring of boys.

Mr. and Mrs. H. A. Wilcox of Honea Path, visited Mr. Wilcox's mother last week.

Miss Mary Wilcox, who has been attending at the Greenville Female College, returned home last week.

Dr. W. E. Link visited the family of Rev. R. C. Ligon last week.

What makes Isham look so sad now, boys?

The health of our community is very good at present.

All the green crops down in the Corner are simply fine.

Mr. W. T. A. Sherard took in Commencement at Davidson College last week. Ask him to tell you how to make and break a circle.

Miss Sallie Sherard, who has been visiting relatives and friends in Camden, N. C., returned home last week.

Miss Lolla Davis, who has been teaching school here, has closed her school. Miss Lolla is one of the best teachers we have ever had. If she doesn't teach again next year, it will not be the patrons' fault.

Mr. S. B. Sherard, who has been attending Davidson College, has returned home to spend his vacation.

Ask Hampton and George what they contemplate doing next year.

WHISTLING JAKE.

Resolutions of Respect.

MT. BETHEL BAPTIST CHURCH, June 11, 1898.

Whereas it hath pleased the Lord to remove from us by death, which occurred May 31st, Rev. Baxter Hays, who for a period of forty-five years has been a faithful minister of the gospel. His labors among us as only a sojourn of God could do, giving his own life in service for others, preaching the gospel to all classes, he sought to help all and to offend none. He was a true pastor and not a mere pastor; and whereas, we feel that in his death the ministry has lost an earnest, faithful laborer, the church a safe guide and the world a shining light. In this (Mr. Hays) church his name will be carried into the next generation; our children will hear of his thirty years of service here and here, during his earnest appeals to sinners, many resolved to turn to the Lord. Eternity alone will reveal the value of his work. Indeed, one more great man has fallen. Therefore, be it

Resolved, That we bow in reverence and submission to the will of God who doeth all things well, and pray that His blessings may be granted unto us. May the way of grace and salvation so often marked out by our departed brother be followed by us in the future. May the blessings of God rest especially upon our church for whom our brother so often prayed.

Resolved further, That these resolutions with preamble be published in the Baptist Courier and that our county papers be requested to publish the same.

We further resolve to send his family a copy and to place a copy on our church record.

Done in regular Conference June 11, 1898. D. A. SWINDLER, Mod. R. E. PARKER, C. C.

UNDER MASONIC TEMPLE,

Next door to Ligon & Ledbetter.

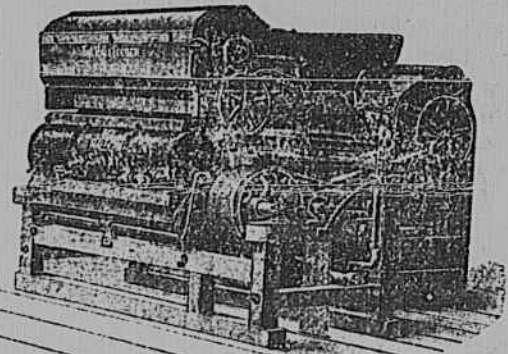

We come to you Singing a Song, With Victory perched on our Banners

OUR five years' experience with the DEERING IDEAL BEARING MOWERS has convinced us, as well as hundreds of the best farmers in Anderson County, that they are most appropriately named—they are ideal in light draft, in strength, in durability and in ability to do perfect work. Perfect as were the Deering Machines last year, we know that they are still better improved and strengthened for the harvest of 1898. Remember that they are the only Mowers on the market that can start from a stop, in any crop, without backing. Every Deering Mower sold is an advertisement for us, and is the means of us selling another. Can our competitors say that? Remember, one thorn of experience is worth a whole wilderness of warning.

For Engines, Engine Fittings, Saw Mills, And for any kind of MACHINERY and SUPPLIES, remember we are Headquarters for Low Prices. Yours truly,

PENDLETON, S. C., December 17th, 1897.

Messrs. McCULLY BROS., Anderson, S. C.

DEAR SIRS:—Yours of 16th duly received. It gives me pleasure to testify to the merits of 60-Saw Hall Gin outfit purchased of you in October. I find it very light running, fast, unusually good as to roll, which rarely if ever breaks. It cleans the seed just as you may desire and the sample is good, and I have heard very favorable comments
